It was under the most bizarre circumstance that I, a plain underachiever who can't seem to hold a steady job, came to work as a housekeeper for a super-handsome international pilot and his adorable kindergarten son!! Together, the three of us made the most unique household. Then, my employer and I crossed the line between professional and personal relationship. So now, we are on the verge of collapsing the balance the three of us had made... How do we strike the balance in love and life?

WHERE I

THERE STOOD
A SUPER-LUXURY,

ALL I COULD
AFFORD IS
A DINKY ONE-

APARTMENT.

WOULD
I EVER
OWN ONE IN SUCH
